'n Skool met 'n verskil...

ENGLISH STREAM

Pro-Ed Akademie is the Christian private school of choice in Swakopmund, where scholars receive personal attention and are assured of a well balanced education.

Pro-Ed Akademie offers a solid curriculum, modern facilities and highly qualified teachers who challenge each child to prepare him/her for an ever changing world.

The demand for enrolment for children in English has resulted in the establishment of an English Stream in 2013. The English stream has shown tremendous growth and Pro-Ed Akademie now offers Grade 1 to 12 in both Afrikaans and English.

Pro-Ed Akademie follows the IEB (Independent Examinations Board) Syllabi at Senior Secondary level. The final Grade 12 IEB National Senior Certificate is accepted by all tertiary institutions, both within South-Africa and abroad.

**Secondary School - Grade 8 to Grade 11 -
still has a few limited places to
prospective learners.**
